

Independent School District #52 Parking Appeal

On behalf of the Independent School Board of Trustees, the Independent School PTA, concerned parents, teachers, and students, I am making this appeal to all persons responsible for student drop off and pick up at Independent School. Please refer to the diagram on the reverse of this letter when considering the following do's and don'ts.

AM Drop Off

- * Join the drop off line and follow proper procedure.
- * Pull forward single file to the upper drop off area.
- * Children are to exit on the school side only!
- * Exit using the exit procedure, south bound in the left lane and north bound in the right lane.
- * **DO NOT PARK IN THE LOT AND ESCORT YOUR CHILD ACROSS THE LOT.**
- * **DO NOT DROP CHILDREN OFF IN THE LOT AND LET THEM CROSS INTO SCHOOL.**

PM Pickup

- * Do arrive and depart on time.
- * Wait patiently in line to enter the parking lot.
- * Enter and follow the pickup line forward.
- * Pull as far forward as possible before picking up your child.
- * **Do not leave your vehicle unattended in the school parking lot.**
- * **Do not park on the outside curb on either side of the highway.**
- * **Do not block the neighbor's driveways.**
- * **Do not use the teacher's parking lot.**

There is no doubt that the pick up situation here at Independent is difficult at best. It requires patience and respect for others. Don't make it a dangerous one too. Abide by the rules. This is a life and death situation. Let's pull together and recognize our responsibilities. Our kids deserve it.

Note: The above is Board Policy and, therefore, the rule of the district.

Thank you for your cooperation.

The Board of Trustees, The Independent School PTA, The Independent School Staff, and Your Children!
